

FIRST SWISS URBAN SKETCHERS

# SYMPOSIUM

20.09 – 22.09.2019  
ZUOZ

This September, the first Swiss USk Symposium will take place in the Engadine. From Friday noon to Sunday noon there will be plenty of opportunities to draw together, attend workshops, exchange ideas and meet other urban sketchers.

Sketchers of all levels, experience, and backgrounds are welcome. Registration will open at July 8th. We plan a public Sketchcrawl event in Zuoz and would like to invite all interested Urban Sketchers to join us.

# Workshops Saturday 21st September

9:30 – 12:00

---

## Workshop 1 **Rolf Schröter** (in English)

We want to create a visual report of our experience on a place in a time. We will practice skills, to compose a drawing out of spontaneous captures and go for it as a joyful adventure.

---

## Workshop 3 **Vincent Desplanche** (in English)

We will be sketching mountains. As they are the perfect place to learn or improve all the fundamentals of sketching: observation, analysis, space, composition, line work, volume, light and textures.

---

## Workshop 7 **Juliana Aschwanden-Vilaça** (in German)

We can create high-contrast colors with black and white images. We will concentrate on how setting highlights, shadows and depth.

---

## Workshop 8 **Urs Lauber** (in German)

We will we will set off with open eyes on a discovery tour and look out for characteristic subjects of this fascinating mountain world and we will try to collect as many impressions as possible.

# Workshops Saturday 21st September

14:00 – 16:30

---

## Workshop 2 **Rolf Schröter** (in German)

We want to create a visual report of our experience on a place in a time. We will practice skills, to compose a drawing out of spontaneous captures and go for it as a joyful adventure.

---

## Workshop 4 **Vincent Desplanche** (in French)

We will be sketching mountains. As they are the perfect place to learn or improve all the fundamentals of sketching: observation, analysis, space, composition, line work, volume, light and textures.

---

## Workshop 5 **Olivia Aloisi** (in German)

We will focus on telling stories, by bringing life into our sketches and enriching them adding elements as people, animals, cars and other details.

---

## Workshop 6 **Res Zinniker** (in German)

We will learn to plan a picture and a composition. What should we take into account to achieve an exciting composition and where to consciously set an image center?

## Symposiums-Pass

Registration will open at **July 8th** on eventbrite.

The link can be found on the website: [symposium.usk-switzerland.ch](https://symposium.usk-switzerland.ch)
